With New York's art scene being so prominent yet ever changing, you'll want to be sure to catch significant shows. Time Out New York rounds up the top five art exhibitions of the week, from offerings at the best photography and art galleries in NYC to shows at renowned institutions like the Metropolitan Museum of Art, the Museum of Modern Art and the Guggenheim.

Henni Alftan, Matt Hilvers, Ruth Ige, Andrew Sim

The four painters presented here live and work in disparate points on the globe (Paris, NYC, Auckland, Glasgow), but they share a figurative, existential style that appears to equate alienation with out-of-body experiences.
